

# The Key for School Leaders can help you save time and money, increase efficiency and solve problems

## 6 Things members love most about The Key for School Leaders

### 1 Unlimited logins

Your school's membership covers the entire leadership team - there is no limit to the number of staff you can have registered.

Invite your colleagues to help them save time too:

### 2 Support with school business management

We know that school business managers and bursars have a lot to keep on top of, and we're here to help. Our articles, summaries, templates and sample documents make it easier for you to manage your school's finances and your own workload

The Key is NASBM's approved provider of leadership and management support to schools.

### 3 We like questions

You can ask us anything - as often as you like. We've been answering school leaders' questions since 2007 and publishing our responses online, so the chances are we've already got it covered. If we don't have the information you need, just ask us - our team of expert researchers will find the answer for you within three working days.

### 5 Be Ofsted-ready

Before, during or after - we can support you to feel confident about the whole inspection process. Use The Key to keep you up to date with changes to the inspection framework and everything you need to know. We can also help you prepare, with templates, checklists and questions that inspectors may ask.

### 6 Built-in quality

Our quality assurers are not just editors ... they are so much more. As the guardians of our commitment to quality, they not only ensure that every article and resource we publish is accurate, free from bias and deeply practical, but also support and challenge every team at The Key to continually review and improve how we work.

## Did you know we can support you with...

### Governing body

The spotlight on governance is brighter than ever before. That's why we designed The Key for School Governors, which provides governors with instant answers to questions on all aspects of school governance and support to help them stay up to date, gain confidence in their role and quickly get to grips with important issues.

### CPD

The CPD Toolkit from The Key provides everything you need to run high-impact, in-year-round training for teachers, leaders and support staff. Our toolkit gives you year-round access to a growing base of topical, evidence-based modules, reducing the need for external trainers and providing value for money.
